

THERAPEUTIC COUNSELLOR(s)

One post available to cover 22.5 hours a week over 3 days

£28,314 per annum pro-rata

FIXED TERM CONTRACT UNTIL 31 MARCH 2026.

Are you a therapeutic counsellor passionate about working as part of a team to support people's wellbeing?

The Wolseley Trust is recruiting Therapeutic Counsellors to join our 'Healthy Futures' team. Healthy Futures works with GP practices to support patients to take action to improve their health and wellbeing.

These exciting posts build on our existing counselling service which is currently available to people living in our area of benefit and has been embedded in our citywide Social Prescribing service. These posts will work as part of the teams at GP practices within Sound Primary Care Network, providing counselling to eligible patients and working closely with social prescribers, GPs, and other health and care professionals as appropriate.

You will have excellent assessment and therapeutic skills, ideally be qualified to level 5 (although level 4s will be considered) and hold at least 2 years' experience of working as a counsellor.

For more information contact or Rowena Slater (Counselling Supervisor) on 07305 956070 or email rowenaslater@wolseley-trust.org; or email recruitment@wolseley-trust.org. To download an information and application pack please visit www.wolseley-trust.org

Closing date: Midnight on 23 April 2025

Interviews are expected to take place on Wed 7 May 2025.
